

# Trade Facilitation and Institutional Arrangements under the AfCFTA: What Traders Should Know

2 November 2021  
10:00 – 12:00 (SAST)

Hear from policymakers and global corporations as they share invaluable knowledge about the opportunities and developments associated with the African Continental Free Trade Area for both global and regional investors, and multinational companies.

The session will include high-profile speakers from Tralac, Signal Risk, the Export Credit Insurance Corporation and the AfCFTA Secretariat.
